2. Discussion of school survey:
  - a. ParentSquare will be used so the survey can be translated.
    - i. Identifying questions like "is your child in SpEd?" will be removed so the survey feels anonymous.
  - b. We adjusted a few questions and decided to focus on parent engagement questions specifically.

3. Draft school goals were discussed
  - a. We discussed whether to find a way to include TK and K and decided that since there is no formal data for TK and no consistent data K-5 we will focus on 1-5.
    - i. Next year we will need to be mindful of the fact that 1st graders will have no prior experience with iReady.
