

**YEAR 10 & 11 ART TRIP
TO THE STANLEY SPENCER GALLERY
WEDNESDAY 26 FEBRUARY 2020**

February 2020

Dear Parents

We have arranged a GCSE trip to the Stanley Spencer Gallery on Wednesday 26 February which will form part of their coursework and exam projects this term.

At the gallery the students will be given a talk by one of the gallery staff and will then have the opportunity to draw from direct observation.

Students are to arrive at their usual schools by 8.30am. We will be splitting the students into two groups - one group will visit the Gallery in the morning and the other in the afternoon. For the other half of the day the students will be engaged in art sessions in school. The students will be travelling by coach and should wear their school uniform. They will have the art materials needed already at school.

Some of the Senior boys will be spending half the day studying Art and will then be taking part in a football league fixture in the afternoon. Mr Turner will speak to these boys directly, as they will need to bring in their sports kit.

The boys who are not playing in the football fixture will have their lunch at the girls school so should bring a packed lunch with no nuts or nut products.

Yours sincerely

JOEL WAREING/FRANCES ACKLAND-SNOW
Head of Art Senior Girls/Senior Boys
