

WHAT IS HAPPENING?

The City of Miami Beach [is trying to evict an independent movie theater](#) for screening the Academy Award-winning documentary "No Other Land." This act of censorship is being led by Mayor Steven Meiner, who is punishing the nonprofit [O Cinema](#) for showing a film which he claims is "false, one-sided propaganda." The film, made by a Palestinian-Israeli collective, tells the story of the destruction of Palestinian villages in the occupied West Bank and the unlikely friendship between a Palestinian activist and an Israeli journalist.

Steven Meiner's proposal would terminate O Cinema's lease and withhold \$40,000 in promised grant funding. O Cinema is one of only a handful of independent theaters in the Greater Miami area, and oftentimes the only place where independent films can be watched by locals.

WHAT CAN YOU DO ABOUT IT? (5 QUICK THINGS)

We're asking those in the filmmaking community to stand in solidarity with O Cinema in the following ways:

- 1) **[DONATE](#)**: Fighting this will be costly to this small nonprofit theater and, because the City of Miami Beach is the leaseholder, the future of the theater is now threatened regardless of the outcome. Please consider donating to O Cinema and its legal defense here: <https://www.o-cinema.org/donate>.

Open Letter to the City of Miami Beach

We, the undersigned members of the international filmmaking community, write to express our deep concern and condemnation of your attempts to censor O Cinema, a local independent movie theater, for its exhibition of the Academy Award-winning documentary, "No Other Land," by withholding its funding and ending its lease.

O Cinema has a long history of supporting important and diverse viewpoints that foster dialogue. We as filmmakers invite critical discussion of any film, but your decision to punish O Cinema for screening "No Other Land" is an attack on freedom of expression, the right of artists to tell their stories, and a violation of the First Amendment. It is also an offense to the people of Miami Beach, and Greater Miami as a whole, who deserve to have access to a diverse range of films and perspectives.

We urge you to reconsider your decision and to allow O Cinema to continue to operate without interference.

Sincerely,

- | | | |
