Winfield High School A+ Schools Program Citizenship Guidelines

An important component of the A+ Schools Program is the fostering of good citizenship in our district's students. Students participating in the A+ Schools Program must maintain a record of good citizenship to qualify for post-secondary financial incentives. Good citizenship is demonstrated by respect for school, self, and community. Any student who participates in the A+ Schools Program must be a creditable citizen and be judged so by the proper school authority certifying the list of students for participation.

A student whose character or conduct reflects credit upon himself/herself and/or his/her school is considered a creditable citizen and is therefore eligible to participate in the A+ Schools Program. His/her conduct shall be satisfactory in accordance with the standards of good discipline. Students who participate in the A+ Schools Program should remember the rewards of the Student Financial Incentive, and the individual discipline and responsibilities that come with it. The rewards are great: two years state-paid assistance, providing funding is available, for successful completion of a program to a post-secondary career/technical school or community college in the state of Missouri.

The following criteria regarding the school's discipline policy will serve as a measurable indicator of respect for self, school, and good citizenship:

- 1. Students who are convicted of a felony will not qualify.
- 2. Substance abuse—an A+ student will not sell possess, transport, or use any controlled substances, alcohol, or drug paraphernalia as defined by law unless prescribed by a licensed physician.
- 3. Suspension—Students will lose eligibility for the program if they accumulate 10 or more days of suspension (In School or Out of School) during their high school career, grades 9-12, for offenses other than alcohol/drugs or violations of the Safe Schools Act.
- 4. Criminal Activity/Violations of the Safe Schools Act-students who are disciplined in accordance with the Safe Schools Act of 1996 will lose eligibility for the A+ Schools Program. These violations include, but are not limited to assault, weapons possession, and drug distribution.
- 5. Accumulation of 5 or more of Out of School Suspension (OSS) during high school career will result in A+ probation. 10 days or more of Out of School Suspension (OSS) will result in automatic removal from the program.

Citizenship Appeals Process

The following process may be used by students/parents to appeal a disciplinary decision that may affect the student's A+ qualification:

- Students/parents have ten (10) days from the date of notification of disqualification to appeal a decision that is made dealing with discipline or probation. Anyone making an appeal should use the A+ Appeal of Citizenship Form available from the A+ Schools Coordinator.
- 2. The basis of the appeal must be submitted in writing through the office of the A+ Schools Coordinator. The students/parents may make the appeal in writing or make a presentation before the A+ Citizenship Appeals Committee.
- 3. Upon receiving a written appeal or solicitation for presentation, the A+ coordinator will convene the A+ Citizenship Appeals Committee composed of the principal, an assistant principal, the student's counselor, and the A+ coordinator (as a facilitator, non-voting member). After the A+ Citizenship Appeals Committee reaches a decision, the parents/guardian will be notified in writing.
