[Vive la pluie par Mo Willems](#)

Rain!! Rain can be very fun!! Talk about what is fun about the rain. Why is rain important? What does it do for us? This is also a great story to talk about growth mindset. At first, Lili hates the rain and is very sad about it ruining her day. But then, she sees how much fun it can be and gives it a try! Here are two activities to try:

J'aime la pluie!

Choisis trois mots de la liste et écrire des phrases pour la pluie! (Choose 3 words from the list and write a sentence about rain).

froide (cold)

sauter (jump)

les bottes (boots)

mouillée (wet)

les nuages (clouds)

les gouttes (drops)

tombe (falls)

un parapluie (umbrella)

gris (grey)

un imperméable (rain coat)

les flaques d'eau (puddles)

J'essaie! (I'm trying)

Fais un dessin de quelque chose que tu ne voulais pas essayer, mais que tu as fini par aimer! (Think of something you didn't want to try, but then did and liked it!)
