Dear Tenant

We are pleased to offer you the option of renewing your Lease for another 12 months.

The new rent amount will be \$1508 to begin at 06/01/2023
You also need to add \$87 to your Security deposit account.

If you agree to continue the lease, all other terms and conditions of your lease will still apply.

Please remember that if you choose to terminate your lease, you must provide the required written notice according to the terms of your lease. Failure to provide the required notice indicates your approval to continue the lease with the rent increase.

I look forward to continue and rewarding relationship. Feel free to contact me with any questions or concerns.

Sincerely,
