STEP ONE: Gather new/deeper information

<p>First Interview & Stories Questions asked, answers provided, feedback... What stories were you missing?</p>	
<p>New Information What did you learn that was not on the posting? What seems more important now (if different from initial understanding)?</p>	
<p>Thoughts, Impressions What got their attention? What got yours?</p>	
<p>Company, Online Info & Posting Review the posting, website, etc. again. What new insights come up for you now that you had the first interview?</p>	
<p>Interviewer Who are you interviewing with next (research)? What is their role, and what do they care about?</p>	

STEP TWO: Prepare

<p>TMAY (Mostly repeated) What adjustments are needed? How are you now <i>even more</i> interested/competitive?</p>	
<p>Stories / Responses Do you need a new or updated story/angle? What to add or adjust? Incorporate mission/culture fit.</p>	
<p>Questions/ending What are <i>deeper</i> questions to ask? (The Work/Company/Team/Role) Express a deeper, <i>informed</i> enthusiasm.</p>	
<p>Slide Deck What should be in this next interviewer's deck?</p>
