

Meet the Enrollment Coordinator

RENAISSANCE
TIMBERWOLVES

SOMRAK
ETNYRE

Somrak Etnyre our Enrollment Coordinator, embarked on a homeschooling adventure with her family in 2006 and continued through 2019, when her youngest enrolled at Plymouth Christian Academy (PCA). She spent the next several years working and volunteering in various capacities at PCA, including substitute teaching and private tutoring.

Mrs. Etnyre has a B.S.E. and M.S.E. in Civil and Environmental Engineering from the University of Michigan. (Go Blue!) Prior to homeschooling, she worked in the engineering consulting industry, so the ability to navigate the many moving parts of homeschooling three young boys was a somewhat

natural transition! Now that her boys are in college and graduate school, she is excited about meeting with families just beginning their homeschool journey and hopes to provide encouragement and mentorship.
