

Privacy Policy for "The Flipper - Estonian"

Last Updated: 13.11.2023

1. Introduction

Welcome to "The Flipper - Estonian"! This application is developed by the individual developer Oleg Khasyanov (referred to as "we", "us", or "our"). Our application is designed for learning Estonian language and memory development, and is intended for users of all ages.

2. Collection and Use of Information

Our application does not collect any personal data from users. We do not require registration and do not collect information such as names, email addresses, or geolocation data.

3. Data Storage

All data related to the gameplay (such as points earned) are stored locally on the user's device. We do not have access to this data, and it is not transmitted to us or to third parties.

4. Access to Data

Users are free to manage their game data, such as points, on their device. We do not provide features to view, modify, or delete data, as they are stored locally on the user's device.

5. Age Restrictions

Our application does not have age restrictions and is suitable for all age groups.

6. International Use

We do not restrict access to our application geographically, and it is available for download and use in any country.

7. Changes to the Privacy Policy

We reserve the right to make changes to this privacy policy at any time. Any changes will be posted in this document.
