

TERMS OF USE:

1. 📋 Improvisation rules:

- A) Orgasms: don't make the woman orgasm or add lines about making her cum. No orgasm countdowns.
- B) Don't add dogs, breeding, or heat play.
- C) Don't call anyone "kitten" or "little one".

2. **Major changes:** don't do this without my written permission. Don't change the story title. Preserve plot and tone. Don't change or remove consent, characterization, gender, genitalia, or physical descriptors, and don't add or expand aftercare.

3. 💰 Don't use my work on monetized or paywall platforms without my written permission. You only have permission to use my script for audios that you share on Reddit's r/FreeAudioPorn and similar subreddits.

4. 🚫 Don't post my script to any archives or websites.

5. 🏷️ Credit me as the author; link to [my Reddit profile](#) and my script offer. Don't link directly to this file.

[M4F] [Script offer] **Would You Fuck This 78-Year-Old Robot Alien?** [sci-fi] [cyborg] [alien] [humour] [kissing] [fingering] [PIV] [doggy] [speaker orgasm] [anorgasmic listener] [anorgasmia] [creampie] [degradation] [name-calling] [breeding] [good human] [good girl]

Author: [/u/dominaexcruor](#) | Christina ❤️

Summary: Assassin droid HK-69 comes from a galaxy far, far away, in pursuit of his target RL-34. He crash-lands on Earth. The impact scrambles his operating system, and after he reboots, a human pulls him from the wreckage. (*KOTOR* parody.)

Word count: 840 (42% plot, 58% porn)

Improvisation & narrative tone:

1. Improv is welcome, **but don't give her an orgasm, don't talk about her cumming, don't add a countdown.** No hot wax or heat, don't call her "kitten", and don't talk about dogs/puppies. Preserve the tone of the story.
2. The narrator's character is a parody of HK-47, the assassin droid from the *KOTOR* games. If you want to emulate his speech, [here is a Youtube video](#) to listen to him.
3. When the sex begins, most of his lines are delivered in an annoyed tone.
4. (**Seductive lines**) should be delivered as if he is trying (but failing) to be seductive.

Formatting notes:

- (FX) is for sound effect suggestions, which are optional.
- [SQUARE BRACKETS] are for inflection and tone of voice.

SCENE:

(FX: an operating system booting up)

Syncing...

Diagnostics running...
Power core is operational, running at 80% capacity.

Processor status...diagnostic failed.
Systems failing, master!
Abort / retry?
Chassis...cracked.

[GROAN]
Not again.

Control cluster...damaged.
Fluid leak detected in lower left limb.
Right optic lens...cracked.

Vocabulator...semi-operational.
Query: Master, are you there?

(**FX**: robotic whirring sound)

Scomp link...functional.

Memory cortex...corrupted.
Query: Master, why did you send me to this place?
Assumption: I am hunting meatbags.

(**FX**: frantic alarm beep, like something is wrong)

Personality matrix...resetting.
What?!
What does th-...
HEY!!

(**FX**: metal noises, grinding metal)

An organic!
Query: where am I?

Of course I am "fine", I'm a top of the line HK...error!

(**FX**: corrupted robotic speech)

Statement: I am HK-69.
Query: who are you, organic?

What is this place?

"Earth,"?

Searching memory banks...negative.

This was not my destination.

Postulate: my master dispatched me to this planet for a specific reason.

Reason unknown.

I must wait for-error.

[ANNOYED]

It does not matter if I hit my head, meatbag.

I am a cyborg!

See?

(FX: robotic sound)

Query: why are you screaming?

[ANNOYED]

Organics are so messy.

Why can't I just blast them?

Nothing, never mind.

[DISMAY]

My ship is damaged.

Calculating...repairs will take several days.

Query: organic, where is the nearest repair yard?

[MOCKING]

"It doesn't know,"?

The organic is looking at me with a strange expression.

Accessing memory banks...

Past organics did not look at me this way.

Not until...

[SNICKER]

My master transplanted my memory bank into a new chassis, one that emulates an organic body.

And now...organic women are [LAUGH] attracted to *me*.

Amendment: I forget that.

Stupid, frail, non-compartmentalized meatbags!

Give me that comlink, meatbag!

(FX: struggle, he grabs her cell phone)

Accessing network...

[CONFUSED]

There is no indication my target RL-34 is on this planet.

Then why...

Query: what is this?

The comlink is corrupted with bad files.

Investigating...

Xhamster, Porn hub...

What *is* this?

[THREATENING]

Do not provoke me, meatbag, or I will engage.

[PUZZLED]

Your comlink is useless.

Filled with organic sexual materials, no useful information on my target.

Calculating...

Assumption: my master wants me to blend in on this planet.

To do that, I must learn to copulate with an organic.

Bend over, meatbag!

That directive did not work.

(**SEDUCTIVE**)

What's wrong, meatbag?

I'll take care of you.

Such a good human.

I'm going to...

[ANNOYED]

What?

"I sound unnatural,"?

Ugh, meatbags!

Analyzing...

Assumption: I need to stimulate the organic's genitals, to make it pleasurable for her.

Hold still, meatbag.

I will kiss you.

(FX: kissing)

Observation: this organic likes being kissed.

(FX: kissing)

Be a good human and take your clothes off.

Statement: Yes, an HK unit is capable of pleasuring an organic!

My design was based on my ma...error.

Take your clothing off, *now*.

(FX: clothing removed + kissing)

Observation: the organic is starting to become aroused.

Assumption: I need to inspect the organic's genitals before copulation.

(FX: fingering sounds)

Analysis...the organic's genitals are not wet enough for copulation.

Accessing memory banks...

I need to provide more stimulation.

(FX: fingering sounds)

(**SEDUCTIVE**)

Now that you are moist, bend over, meatbag.

Let me take care of you.

(FX: vaginal sex sounds)

[EXAGGERATED, WITHOUT PACING]

Oh! Oh you feel so good on my penis.

Oh you are such a good little whore.

I'm going to impregnate you.

Good human, you feel so...

[ANNOYED]

What now?

"Doesn't sound right,"?

Explain your meaning, organic!

[CONFUSED]

What is wrong with calling you a “good human”?
My download from your comlink indicates you enjoy pornography that calls you a “good girl”.
This unit recognizes that terminology is flawed.
You are not a girl, you are an adult woman.

[THINKS HE FIGURED IT OUT]

Oh, I see.

Good woman.

Your vagina feels great, what a good woman!

[ANNOYED]

Again!?

“My tone”?

Query: what is wrong with my tone, organic?

Negative: I just don't like organic meatbags!

Re-calibrating...

(**SEDUCTIVE**)

Mmm, you're such a good girl.

You feel so good on my penis!

I love your wet vagina.

Query: is this better, meatbag?

Finally!

Query: you do not "cum"?

That is irrelevant to copulation, meatbag.

(**SEDUCTIVE**)

Don't worry, meatbag.

I'll take care of you anyway.

I can't wait to inseminate you!

Fill you with my...seminal ejaculate!

Oh, yes, keep squeezing me, good girl!

Oh shit.

I'm going to ejaculate soon!

You're such a good girl for me.

Such a tight little vagina.

Rub your clitoris for me, meatbag.

That's it, good girl.

Yes, I will go faster!

Do you like that, meatbag?

Good girl.

Oh fuck, fuck, fuck!

I will ejaculate momentarily!

I'm...

(IMPROV TO HIS ORGASM, VAGINAL CREAMPIE)

Observation: I have arrived.

You did not.

[CONFUSED]

Query: what comes next, organic?

After simulating an orgasm, what would a man do?

"Cuddle"?

Suggestion!

Perhaps we could skip that part!

No?

Fine, I will...cuddle with you.

Do not get any strange ideas, meatbag.

I'm an HK-error, file restricted.

(SEDUCTIVE)

I was saying, you look so beautiful.

You're a good girl.

My beautiful meatbag.

I'll cuddle with you, while I wait for my master.

(FX: kissing)

END
