

To do before you share your work:

1. Complete [self revision](#) and make any changes you find.
2. Use Grammarly, spell check, etc.
3. Read over your essay one more time to make sure you don't want to change anything else.

Use the blue share button to send your work to the rest of your group**Things to look for while you're reading others' work:**

1. What parts were really good? Interesting, exciting, creative, etc.
2. What parts are confusing or don't make sense?
3. What questions do you have for the author?
4. Did they miss anything? Citations, thesis, closing, etc.
5. Use the comment button (bubble with + sign) to mark these parts.
6. The [CARES](#) sheet might help you find things to talk about.

After you read:

Each person takes turns sharing their questions, notes, etc. with the writer.

THE WRITER DOES NOT TALK UNTIL EVERYONE ELSE IS DONE.
