It is your chance to have your voice - and the issues you care about - heard at the local, state and national levels of government. Voluntary contributions to the fund go toward policies and candidates that defend workers' rights.

**Make a one-time or ongoing contribution at [cwa.org/paf](https://cwa.org/paf).**

Note: Federal law prohibits CWA or CWA COPE PCC from soliciting contributions from persons other than CWA members, CWA executive and administrative personnel, and their families. Any contribution received from any other source will be returned to the contributor.
