Farmer And Goddess Pitch

Author: James “Dragon Master” Courneya

Genres: Iyashikei, Fantasy.

Page Count: #

Logline:

A goddess while walking the lands comes across a young farmer. The two spend some time together and grow a bond. A story about people bad at what they do but who pursue it regardless.

Synopsis:

The Goddess was kicked out of heaven. She wants to find a hero and help them become a legend in order to get back in. The farmer inquiries on her why this happened and when the Goddess touches upon that she didn’t do her job properly because she didn’t care for it. Which he then asks why is she trying to get back?

Characters:

Farmer: The farmer had lived on this farm with their grandfather. They left to become an accountant, but came back upon the news of their grandfather's death.

Goddess:

Mage: Wannabe.

Warrior: Wannabe.
