MINT Shared Lesson Policy

- The minimum lesson time per student is 30 minutes. You may add one additional student in a 30 or 45 minute private lesson for \$15 per lesson.
- We offer a total of 3 makeup lessons per school year with 24-hour notice. Therefore, both students have to agree when they would like to be absent.
- If one student may not attend the lesson, we do not offer refunds for the sharing fee.
