Missing card X =

Nvm apparently 5 of hearts exists

Where's diamond 3??

By the king of hearts, just very hidden

Ohman how did you find this actually are you sure this is 3

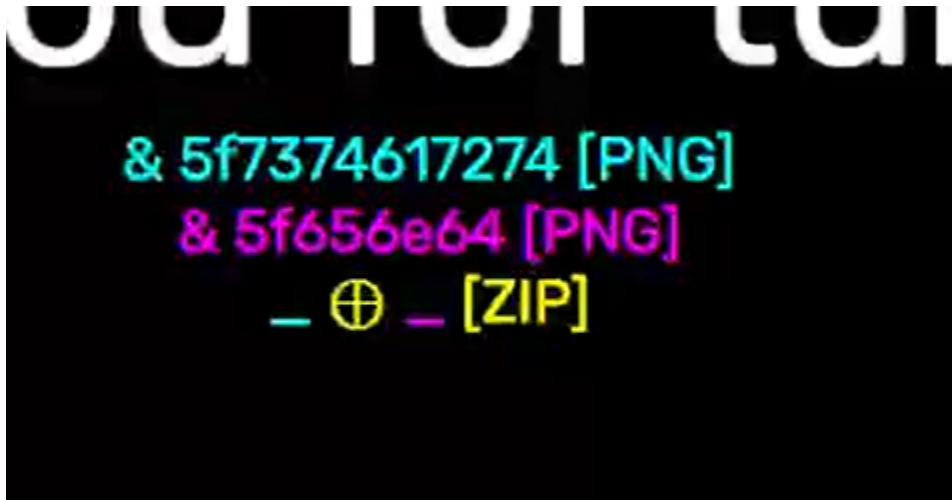

I think it is a 5 of hearts

[veritaslight_end.png](#)

Missing card Y = 8 of clubs?

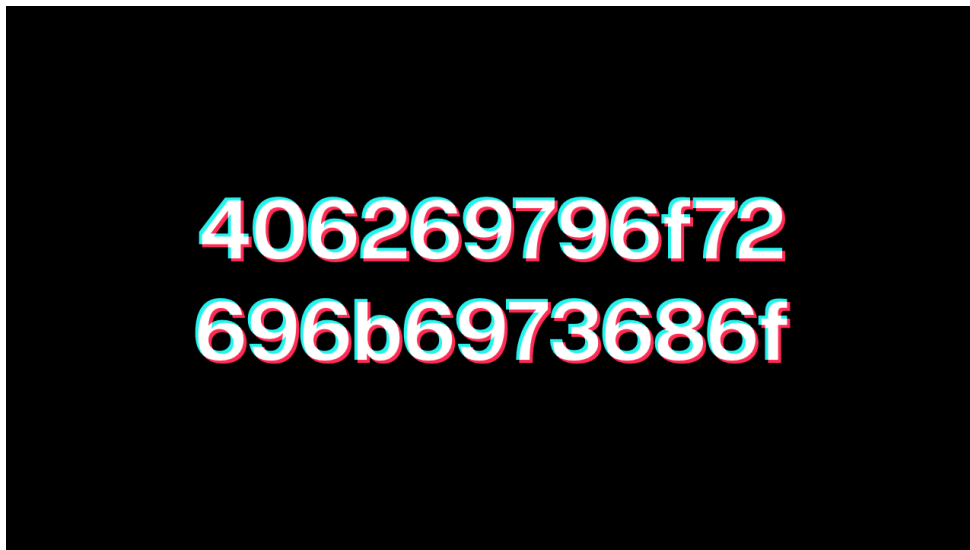

ARG hint in final slide:

TO-DO: post the [v/status #5 twitch VOD](#) here if that will exist

SOLUTION TO SLIDE: xor apocalypse_start and veritaslight_end to get
