Dustin Dawson Cassadie Ross Comprehensive Distance Learning Professional Learning Opportunities	**Video support**: These are playlists that I have created to help teachers. Zoom, Canvas, Screencasting, Google Classroom, EdPuzzle, Google Meet Break out rooms(Only Available with Enterprise). **Distance Learning Playbook Unpacked.** Twelve episodes in total right now, with more on the way! All topics are a practical application of information presented in the Distance Learning Playbook. **District/Building Support:** Email me for specific needs that your district has around PD. I am happy to help in any way I can. **Individual Teacher Support:** Do you have a teacher who needs help using technology? Just ask! Email me and I will set up a time to work with your teacher individually. **Looking forward to Hybrid instruction:** What will instruction look like as we transition back into the classroom? Self-paced, mastery-based instruction might offer some answers. The Modern Classroom Project has shown to be a powerful framework for both remote instruction and in-person instruction. We are currently piloting this model with a science and social studies teacher. Reach out to me for more information.
