Subject	Following the Ocean Collage workshop 🐟

Hello everyone,

First of all, many thanks for taking part in our Ocean Collage workshop!

We hope it has inspired you to deepen (even more) your commitment to preserving the ocean and to take meaningful individual and collective actions, as we discussed.

📌 YOUR FEEDBACK IS INVALUABLE

What did you think of the workshop? If you haven't already, let us know by answering this [🔗 feedback form](#). It will be very useful for us to improve the experience within our workshops.

🐟 RESSOURCES

If you'd like to go further, here's :

- [a list of resources](#) (workshop sources, book recommendations, films, podcasts, etc.)
- [the key figures and individual actions](#) we discussed, in the form of a summary infographic
- [workshop infographics](#)
- [the TEDx](#) Talk on the Ocean Collage (12 min)
- For French speakers, our association's [podcast](#) is available on all platforms.

🌊 CONTINUING THE ADVENTURE TOGETHER

- On [LinkedIn](#), [Instagram](#) and [Facebook](#)
- Via our website fresqueoceane.org

💖 **Don't hesitate to ask us to organize a workshop by filling in [👉 this form!](#)** *More than 100 of us run these workshops, either online or face-to-face, for companies, local authorities, associations, schools, etc.*

3 formats are available :

- **3h30 WORKSHOP** - can be shortened (from 2h) by choosing only certain themes
- **MASTERCLASS 1h/1h30** - a collaborative conference with a live quiz game, with no limit on the number of participants
- **STAND-QUIZZ** - 15-minute quizzes at your exhibition or event

🦄 BECOME A FACILITATOR!

You can become an Ocean Collage facilitator and join our collective! To apply for training in French, go to [this page](#). We currently only offer facilitator training in French but this is about to change. If you want to be kept in the loop, sign up for updates [here](#) (Google account connection necessary, otherwise reach out) and apply for a facilitator training in English [here](#).

A HELPING HAND?

To support us, you can :

- Share our [upcoming workshops](#) with friends and family
- Support the association financially with a [donation](#) or become a [supporting member](#)
- Offer your [skills as a patron](#)

We also collect water drops on Lilo, a French search engine that supports selected projects, including the Ocean Collage:

- Go to <https://www.lilo.org/la-fresque-oceane/>
- Choose the drops you'd like to donate to the Collage
- Fill up on [Lilo](#) searches!

Many thanks for the warm welcome you have given this collage, which we hope will spread like its Climate big sister and help us to take action to protect the Ocean!

And the final word will of course be for the blue planet: **#ProtectTheOcean!**
