

Fenton High School Music

August 2026

Dear choir and band parents and students:

The Fenton High School Music Department is excited to announce that we will be taking a trip to Disney in February 2027. In order to maximize the time spent on the trip, we will depart Friday, February 28th and return Monday, March 3rd. We will aim to have excellent supervision composed of Fenton High School faculty and staff.

This trip will be an educational opportunity open to all band and choir students. We will help provide the means through fundraising via the Music Boosters for any student to participate regardless of individual financial situation. Each student who is enrolled in band, choir, or Color guard automatically has a Music Booster account. The profit from all individual account fundraisers goes into this account and can be used to assist in paying for the trip. In efforts to defray costs of the trip, we are offering monthly fundraising opportunities for the students.

This trip will provide an educational experience for the students via Disney Imagination Campus Sountrack clinic at Epcot. Students will also enjoy time exploring experiences unique to Disney Hollywood Studios, Epcot, Magic Kingdom and Animal Kingdom

We have been working very closely with Bob Rogers Travel to put together a tentative itinerary that we feel the students will enjoy. We have also estimated the cost for the trip to be between approximately \$2,300- \$2,500 per student for quad occupancy plus airfare. This is based on projections of about 40-55 students participating. The more students that participate, the lower the cost will be.

Please refer to the attached ["BRT Payment Form"](#) for payment amounts and payment schedule. Also included is [optional trip insurance](#). We're looking forward to traveling with your music student!

Sincerely,

Garrett A. George
Band Director, Fenton High School

Seredy Williams
Choir Director, Fenton High School
