

### Wording for a virtual session

This virtual & instructional hands-on session will last 45 minutes in the comfort of your own home. I will provide the pampering bag with the perfect combo of sample products to give your skin what it needs to be healthy.

We will be on ZOOM video! What you'll receive from me: Your beauty session includes all the samples necessary for this deluxe session- an anti-aging facial skincare treatments based on your skin type plus extras (\$150 SPA Value) Once you have scheduled your Session, you will receive reminders for your appointment. We will go over the samples together and I will show you how to use each product you receive! It's such a fun session!

This is a complimentary session with no pressure or obligation.

Tips for your Virtual Experience: Please have a warm washcloth or 2 and a hair tie.
