

Write For Us: We Are Now Accepting a Guest Post!

[PhotoADKing blog](#) is now accepting guest posts, and we welcome writers who are experts in sharing their opinions, thoughts, and voices with our audience.

Let us tell you that we are very specific about what goes on our blog, so do read our guidelines before sending any request or else we straightaway reject requests that do not comply with our guidelines.

Important: We receive a lot of guest post requests, so we usually take 1 week to respond. If you do not get any response in 15 days, you may post your write-up elsewhere.

Special Notes: We only allow promotional guest posts. However, it also has to comply with our posting guidelines and would need our editor's consent.

Topics We Are Interested In:

We cover everything related to "Graphic Design" but are not limited to:

- Graphic design tools & solutions including Logo Design, Brochure Design, Banner Design, Pamphlets/ Flyers, Branding using graphic content, Arts & illustration & more.
- YouTube Video Tools
- Social Media Marketing
- How to...
 - Marketing & Advertising
- Marketing Ideas

- Top Tips...
 - Marketing & Advertising
 - Graphic Designing
 - Photo Editing / Video Editing

Special Notes: We can not publish articles other than the given topic. And if you are our direct competitor, we appreciate you reaching out to us, but we're afraid we can't help you.

Guest Post Guidelines:

We want you to carefully read our guidelines before you write or send a story to us.

- **No grammatical or language errors** are allowed. Recheck before sending your blog for submission.
- We only accept blogs in the **native English language**.
- Your blog should be **informative, and creative**, and should hold readers' interest.
- **Be original** - Plagiarized or spun contents are strictly not allowed.
- Your blog content should be **well-structured with proper headings**, sub-headings, images, and quotes. (Use small paragraphs for better readability)
- Your blog should purely be written for readers and should be **SEO-friendly**.
- Your content must be more than **1500 words**.
- Make sure you write about a topic that we have **not covered earlier**.
- Use **relevant images** images are not allowed
- Please **give source credits to images**, statistics, and quotes used in the blog.
- **Do not promote** any tools, products, or services in your content.
- **Pitch your topic through email** before submitting a blog. Once our editor approves it then we will ask you to send your blog for review.
- If you do not read the guidelines before writing to us, you most likely won't get a response from us.

Special Notes: We will remove the article immediately if we find your article to be published on another website once it is published on blog.PhotoADKing.com
