

Wilson Pre-K

Our Program:

Do you want your child to...

- Learn Kindergarten Readiness Skills?
- Make new friends?
- Be Creative?
- Be more independent?
- Enjoy Learning?
- Make Decisions

If you answered yes to any of these questions, then our pre-K program is a great place to start. Wilson PreK offers a fun and safe learning environment to children 3-5 years old. We strive to prepare your child for both successes in school and in life.

Our curriculum: addresses the following areas of development:

- Cognitive: To acquire thinking skills, to ask questions, and to think logically
- Social/Emotional: To develop independence, improve self-confidence and self-control. Show how to identify feelings through facial expressions and body language and to learn how to respond appropriately
- Language: To learn to communicate successfully with others through both participation and observation
- Physical: to increase child's fine and gross motor skills

Communication....

Communication between the classroom and the home is crucial to your child's success in school. It is important that we can openly communicate any questions or concerns that may arise. I publish a monthly newsletter which will be available on Class Dojo that will explain some of the many activities that we are doing in the classroom, our current themes, and events that will be happening during that month. In addition to any other pertinent information that may be of interest to you. Parent involvement is welcomed and encouraged. I am available for one on conferences, phone or email to discuss your child's progress throughout the year.

Class Dojo invites will be sent out at the beginning of the school year. Please enroll as soon as possible. Pertinent information will be shared here such as school closing, birthday's , special activities etc....

Evaluations....

I will evaluate twice during the school year once around December/January and again In June. These evaluations are a means of showing growth over the year and to help determine your child's readiness for kindergarten.

Arrivals and Departures...

It is normal for some children to have difficulty separating from their parents, or cry when they are being dropped off. Please be very brief; the longer you prolong the departure the harder it gets. It has been my experience that children are nearly always quick to get involved in the activities as soon as the parent is gone. Please be assured that if your child has a difficult time or is crying for a long period of time, I will contact you ☺

Please note: We utilize the time prior to class starting, between classes and the end of the day to prepare to teach. With this in mind we are enforcing a **STRICT POLICY** Students may be dropped off only 5 minutes prior to start of school and picked up w/in 5 minutes of school ending, unless other arrangements have been made . We understand incidents happen and sometimes you need to drop your student early or are running late, these cases will be evaluated on a case to case basis. Otherwise: Failure to obey this policy will result in a \$5/minute fee to be paid prior to the student's return to school.

DROP OFF AND PICK UP In order to reduce congestion in the building we will be dismissing the students from the main entrance door at 1130. daily

Wilson Pre-K

Please follow the following entrance guidance

1. Upon entering the building you agree your child is free of any illnesses and including but not limited to the policies stated in our sickness policy below.
2. Enter with your child where you will put his/ her belongings away. At this time, we are asking for **No toys from home**. Please only bring your child's lunchbox with his/her snack/ folder and coat if necessary. Please utilize the labeled cubbies in the hall for your child's coat, lunchbox and mailbox in the classroom for his/her folder.
3. Please have your child use the restroom at home or prior or upon arrival this eliminates accidents and multiple trips throughout the morning. As the school year progresses, your child will do this by themselves.

Pick up is promptly at 1130. In order to eliminate traffic in the school **NO Parents/ caregivers will be allowed to enter the building. PLEASE REMAIN IN YOUR CAR or outside the entrance.** We will escort children to the main entrance and dismiss as we see their parents. We will dismiss the children one by one to their awaiting parent or guardian. If at any time you need to pick up your child early, please ensure that I know ahead of time as all doors to the school will be locked

Snacks...

We do not provide snacks due to dietary restrictions, allergies etc..... We promote healthy eating, so please provide your child with a healthy snack and drink daily. Snack time occurs at approximately 10:15 am.

Sickness Policy...

Please do not send your child to school sick. Reasons to keep your child home include:

Fever: child must be **fever free for 24-hrs** 48 hrs (**without the use of medications.**)

Diarrhea

Vomiting

Runny nose if the discharge is any color but clear

Runny or crusty eyes

Birthday parties or celebrations....

Every child deserves the opportunity to celebrate their special day and we love Birthdays!!!! You are welcome to send in a packaged store bought treat on or around your child's special day. Due to Covid-19 restrictions, birthday treats made at home will not be allowed. Some great ideas for birthday treats include brownies, cookies, ice-cream, popsicles, fruit etc. (Though we are not excluding cupcakes they do tend to get a bit messy ☺)

Items brought from home:

Toys from home are not allowed at school. Some children are just not ready to share their special toys with everyone and they may get lost or broken.

Wilson Pre-K

Tuition....

Tuition is due the first week of school each month!!!! After the 5th of the month please add a \$50 late fee. If this is a problem please feel free to discuss it with me.

Tuition is as follows:

2 day \$ 1600/ year or \$160/month

3 day \$1800/year or \$180/month

5 day \$2400/ year or \$240/month

In a typical school year, we factor in 4 snow/weather days which **will not** be made up. In the event that school needs to close due to illness such as Covid-19 or additional weather days, class will continue to be provided via Class Dojo or Zoom. Tuition **will not** be refunded for the month in which the closure occurs. In the event that the closure is extended, provided I feel we have covered enough of the basics to continue with virtual learning, families will have the opportunity to withdraw for the following month(s) or continue with virtual learning until such a time that we may re-open. We ask that all families that would like to continue with virtual learning pay tuition throughout the closing either via Paypal , Venmo, or mailed check. Teachers will continue to provide vital learning materials throughout the closure via Class Dojo and potential Zoom meetings. (Details will be provided via class dojo at time of closure).

The ability to remain open in the future depends on continued support of the families. In the event that school remains closed for an extended period of time, tuition and attendance will be re-evaluated and parents will be notified via Class Dojo and or text. If this creates a hardship for you or your family, please reach out to make arrangements. In addition, if you prefer to not continue with remote learning you may withdraw from school at any time. Please note that tuition for the month will not be refunded and you will be supplied with lessons/zoom invites for the remainder of the month. If you wish to withdraw please notify me immediately to avoid being charged tuition for the following month. Also, please note that withdrawing from school will also result in a fee to re-register when school resumes as normal.

Attendance...

Attendance at school is crucial and important to your child's growth throughout his/her preschool year. We understand there are circumstances that prevent your child from attending school but please try to ensure that your child attends school regularly so they do not miss vital parts of the curriculum. Absences from school **do not** reduce Tuition. If your child misses more than 2 weeks without payment, you will be required to repay the Registration fee to re-enroll in school, unless other arrangements are made. Make-up days are not permitted. If extenuating circumstances are present please contact me to discuss

Wilson Pre-K

School Closings....

Wilson Pre-K follows the Wilson School District school schedule for holidays and breaks. **There are a few exceptions.** All closing will be listed on the monthly newsletter. If Wilson is closed due to weather we will also close. If Wilson is delayed due to weather the program will be canceled. Please note 'Snow days' are built into our schedule and will not be made up unless we exceed 4 snow days in any given year
