

Creative Spark: Arts & Crafts Interest Survey

Name: _____

Part 1: Choose your vibe

*Read the options below. Pick the **ONE** statement that sounds most like you.*

- A) The Builder:** I love messy hands, clay, and sculpting physical objects I can use.
- B) The Illustrator:** I love bright colors, precise lines, digital screens, and character design.
- C) The Customizer:** I love fashion, sneakers, jewelry, and changing how everyday objects look.
- D) The Crafter:** I love patterns, texture, sewing, and making things feel cozy or structured.

Part 2: Quick-fire scenarios

Pick the letter of the answer that catches your eye first.

1. If you were given a blank white sneaker, what would you do?

- A.** Dip-dye it in a subtle, earthy indigo color wash.

B. Paint a vibrant custom anime character on the side.

C. Add text, spikes, and change out the laces to neon ribbons.

D. Embroider a small floral pattern or design directly onto the canvas.

2. You are hanging out on a rainy Sunday afternoon. What are you doing?

A. Melting wax to pour custom-scented candles or sculpting small clay figures.

B. Sketching or painting while listening to music.

C. Customizing thrifted clothes or making wire rings.

D. Learning how to knit, crochet, or sew something from a tutorial.

3. Pick a material that you find most satisfying to touch:

A. Smooth, wet, pliable pottery clay.

B. Freshly sharpened colored pencils or smooth digital tablets.

C. Metal wires, metallic beads, and heavy leather pieces.

D. Textured yarn, thick canvas fabrics, or soft felt.

Part 3: Medium matchmaker

Rate how much you would be interested in doing each activity from **1 (nope) to 5 (yes)**

Art Medium	1	2	3	4	5
Pottery Wheel & Ceramics					
Character Illustration / Manga Art					
Sneaker & Clothing Customization					
Screen Printing & Tote Bag Design					
Jewelry Making & Wire Wrapping					
Crocheting, Tufting, or Embroidery					

Part 4: Open studio

Answer the questions below in your own words.

1. What is your ultimate dream creative project?
(Assume money and skills are no object!)

2. How do you prefer to work? (Pick one)

- ☐ Solo maybe with my headphones on
- ☐ In a loud room chatting with friends
- ☐ Collaborative (working on one big project together)

3. What's your biggest creative roadblock? (Pick one)

- ☐ Running out of good ideas
- ☐ Making a huge, annoying mess
- ☐ Getting frustrated when it doesn't look perfect

Teacher/Leader scoring key

- **Mostly A's - The sculptor and builder:** Focuses on tactile, physical media. Look into pottery, resin art, polymer clay sculpting, or woodcraft.

- **Mostly B's - The visual storyteller:** Focuses on 2D visuals. Explore digital illustration, watercolor, comic book art, or acrylic painting.
- **Mostly C's - The wearable designer:** Treats clothing and accessories as a canvas. Look into fashion upcycling, tote bag painting, sneaker design, and jewelry crafting.
- **Mostly D's - The cozy fiber crafter:** Focuses on texture and textiles. Look into punch-needle tufting, embroidery, weaving, or modern crochet.
