

Search DAE for Approved Materials

1. Navigate to DAE
(<https://dae.mcpsmd.org/default.aspx>)
- You **do not need to sign in** to search

The Database of Accountable Evaluations (DAE) stores evaluations of library and instructional materials in an easily searchable database. MCPS professionals may search over 278,000 verified records for materials approved since 2001.

MCPS teachers, if you do not find a verified record, complete a [365-25](#) form to evaluate the material.

MCPS media specialists, if you do not find a verified record, [login here with your network \(MELT\) ID](#) and evaluate.
