

Summaries and Reports brief herein are a textual representation prepared of the applicable company's earnings conference calls or other audio presentations. The summaries are prepared by us and may contain material errors or inaccuracies and users are advised to listen to the applicable company's actual audio presentations on which such summaries are based. The statements and information contained in these summaries are not the statements or views of us and solely reflect the views of the applicable company.

We, therefore, make no representation or warranty of any kind regarding the truth, accuracy or completeness of summaries here or the information contained in the conference call or other audio presentation. We assume no responsibility for any investment or decision based upon any information contained in these summaries, and shall have no liability for errors in summaries on this document or for direct, indirect, incidental, consequential, special or punitive damages in connection with the furnishing, or use of such summaries. Such summaries and all others contained on this sheet/docs/website are the exclusive property of us and copyrighted and should not be commercially reproduced without our express written consent.
