### Griffith University QLD

Applicants not qualifying for the IB Diploma, including those with less than 24 points, will be assessed via an internal process that assigns ranking from 50.00 up to 80.00, based on the aggregate scores in up to six IB Diploma subjects at either HL or SL. A minimum of two IB subjects is required.

If for some reason you do not complete your IB Diploma, you will be able to apply to QTAC for a place at Griffith and be assessed based on the study that you have completed. You don't need to apply separately. You will automatically be considered when you apply to [QTAC](#).
