## Notes

We have discussed how to engage community:

- Engage Users more
- Involve Marketing
- Get more to upstream and advertise it there
- Blog MySQL perf blog
- Add adv in Product announcements and RNs
- PR to README with link
- Another Blog post - how to write feature for mongodb\_exporter
- Maybe on community Slack/Channels ?
  - MySQL
  - Postgres
  - Prometheus
- Good first tasks to pick up for community
- Add news about the next event to PMM Grafana Home Dashboard News Panel
