

!The art is older but good enough examples!

(Base) No background full body color: \$20

- +\$5 for shading
- +\$5 for simple pattern background
- +\$10 for a fully detailed and shaded background
- -\$10 for half body (-\$15 for bust up)
- +\$10 for each character in one piece

Simply \$10 for a sketch/rough draft and \$15 for a non colored lineart.

No go list:

- It isn't exactly a "No" but instead a warning. I'm not the best at anthropomorphic characters. If you want that then I'm probably not who you're looking for. It's mainly the heads I'm bad at! Everything else is mostly fine
- Muscles are a bit hard for me so bodybuilders or Dragon Ball characters are not that easy.

I need a form of communication from you as well so if I have any questions on the commission I can ask! I also promise to keep sending you a work in progress each step of the way.
