

2026-27 WYS Professional Learning Schedule

District Strategic Plan Goal:

#2. Build and maintain a high-quality staff through targeted professional development.

- **SMART GOAL-** By June of 2025, the District will provide at least 50 hours of PD throughout the school year. The teachers will implement at least five student engagement strategies learned from the PD on a regular and recurring basis. This will be measured by self-assessment, informal walkthroughs, and teacher evaluations.
