

WE Families:

Dust off the handlebars and find your brightest colors! This year, WE are spinning into a super fun Bike Rodeo with our "Tie-Dye and Tires" theme. Imagine a sea of swirling neon patterns, rainbow-bright decorations, and high-energy fun as our students showcase their cycling skills. It's going to be a kaleidoscopic day of safety, spirit, and two-wheeled swagger!

- **Mark your calendars! The big event rolls out on Friday, March 20th, and students will participate by grade level during specials.**
