

**Online Learning Pacing Guide  
Semester 1 2022-2023**

You will be able to keep track of your progress throughout the semester using the pacing guide. This guide will let you know how far you should be in your course on specific dates. You will always follow our pacing guide and course end dates. If your course has a calendar or pacing guide that indicates due dates and progress checks, you may need to follow those as well. If you are unsure about how this pacing guide works for your online course, or if you feel you are behind in a course at any time, please speak with your Gobles' teacher/mentor. **ALL COURSES ARE ONE (1) SEMESTER IN LENGTH AND END ON FRIDAY, JANUARY 13, 2023 at 3:00 PM!**
