Minutes

We started today's meeting by reviewing the current balance of our general tax credit account, which was above \$28,000.

Dr. Michael provided those in attendance an update on nominees for the remaining seats. A certified member and community member were selected and will be in attendance in the next meeting. Site council will vote on parent members electronically to complete remaining positions.

The council moved to discussing the types of projects we can accomplish next. As stated above, council members agreed these were worthy project to investigate for possible (future) approval.

- Water Fountains**
- More Blue Lunch Benches - Replace the remaining green benches**
- More Adirondack Chairs - The current ones seem to be a hit**
- Gym Video Board**
- Class Field Trips**

After reviewing the upcoming dates for the next Site Council meetings, Mr. Johnston shared his concerns about stools in his classroom during the good of the order. We discussed possible solutions and dilemmas associated with his request.
