

“NOTHING WILL CHANGE.”

That’s What They Want You to Believe.

But there’s one power they didn’t count on...
The Grand Jury — the People’s Final Line of Justice.

We have a right to Grand Jury under common law, the Constitution of Canada section 91.27 and the Canadian Bill of Rights section 1(a) due process

If you're tired of corruption, cover-ups, and watching those in power walk free — you're not alone.

They told us elections are rigged but “just accept it.”
They shut down your business and said, “it’s for your safety.”
They injected people without informed consent.
They destroyed farms, censored scientists, and crushed peaceful protests.

And now?

They count on your silence. Your exhaustion. Your surrender.

But what if the people still had a **lawful tool** to hold them accountable?

THE SOLUTION – RECLAIMED

The Grand Jury is a centuries-old right in **Common Law**.
It was **never lawfully removed** — only buried.

A Grand Jury is a **panel of citizens with the power to investigate government wrongdoing**, demand evidence, and initiate justice **outside party control**.

It was removed from Canadian courts without a vote.

Now it’s time to bring it back.

“NOTHING WILL CHANGE.”

That’s What They Want You to Believe.

But there’s one power they didn’t count on...
The Grand Jury — the People’s Final Line of Justice.

 **CALL TO ACTION – IN A BOX OR HIGHLIGHTED**

 **SIGN THE NATIONAL PETITION**

To **restore Grand Juries** in Canada and demand investigations into:

- Government overreach
- CFIA culling orders
- Election interference
- MAiD abuses
- Silencing of whistleblowers

BOTTOM LINE

You’re not powerless. You were lied to.

They didn’t “fix the system.” They just **locked you out.**

But the door is still there.

It’s called the **Grand Jury.**
And it’s **ours to reopen.**
