

Apocalypse Radio S2 Press Release

March 2025 – Audicinal, an audio drama studio specializing in queer passion projects, is thrilled to announce Season 2 of their podcast, Apocalypse Radio. Apocalypse Radio is a show about how life goes on in the zombie apocalypse. It is aimed to appeal to fans of queer romance and apocalypse stories, but can be enjoyed by any audio drama fan.

Apocalypse Radio is off to a hot start with its first season following Will and Mason as Mason guides Will to a survivor's camp over the radio, and has generated a ton of buzz with more than 1,000 plays in its first four months.

Haven Blaine of Audicinal says, "Apocalypse Radio was my first audio drama, and remains the most successful to this day. It will always hold a special place in my heart, which is why I'm so excited about Season 2!"
