

## **Low Level Super Junior Christmas Lesson Plan 2015**

**Pre-Break = Learning new vocabulary**

**Post-Break = Reviewing question structures**

**Warmer (5 mins)**

Musical Chairs – play a Christmas song/carol

**Review Rules and CM (5 mins)**

**Lead-in (5 mins)**

Meaning

Stick new vocab FCs around the room. Vocab corresponds to particular Christmas characters (an elf and snowman) i.e. elf, pointy ears, bell, snowman, carrot nose, hat, button eyes

Ss all stand in the middle of the room.

Hold up a FC (matching the ones stuck on the walls) call out the term i.e. 'button eyes'

Ss must run to the corresponding FC

**Vocab Drill (5 mins)**

Pronunciation

Go through slides on PP of vocab, elicit correct terms and drill pronunciation chorally

**Pin the Vocab Relay Game (10-15 mins)**

Pronunciation

Stick/Draw image of elf/snowman on WB

Line Ss up in 2 teams, facing WB, one team is Team Elf, the other Team Snowman, team activities and points throughout the lesson will be kept as such.

On the wall behind Ss, stick cut out FCs i.e bell, carrot nose etc. (images on PP)

Blindfold the first Ss

Call out a vocab i.e. 'carrot nose!' the last Ss must then unstick the correct item from the back wall and also call out 'carrot nose!' before passing it on the next Ss, the vocab item is then passed along the team with each Ss calling out the correct term until it reaches the first, blindfolded Ss. This Ss must then try and stick the vocab image on the correct part of the picture on the board. Closest stick wins a point for their team.

Play twice, once for elf vocab, once for snowman.

**Gap Fill Worksheet (5-10 mins)**

Form

Explain to Ss that you are going to colour in and make masks, and that they will be telling each other what to do based on the instructions they make.

Give Ss instructional worksheet with simple imperative sentences that have vocab gaps i.e. 'Colour your bell blue' etc. Ss can chose which vocab they write in the gap (vocab is written at the top of the sheet – they can only use each term once). Give Elf team sheet with Snowman vocab and Snowman sheets corresponding to Elf vocab.

**Speaking Production and Making Masks (10-15 mins)**

Sushi Roll

Sit Ss facing each other in their teams (an elf facing a snowman etc.)

Give each Ss a blank mask corresponding to their team, and crayons.

Ss must then talk and instruct each other what to do with their masks, i.e a member of the elf team, with their completed snowman vocab gap fill sheet will say 'Colour your button eyes red'. The Snowman Ss will then do so before responding with an instruction of their own i.e. 'Colour your pointy ears yellow' etc. Ss trade one instruction each before one team moves down and Ss speak to a new person.

## **BREAK**

### **Post-Break Game (5 mins)**

Christmas Pictionary

Ss draw something related to Christmas, first Ss to guess correctly what it is wins a point for their team and gets to draw next.

### **Presentation and Practice (5-10 mins)**

Show class your folded present.

Make sure that you draw something on the bottom of the inside – this will be what is 'in' your present.

Tell them they have to guess what's in it by asking questions such as 'Can it \_\_\_\_\_', 'Has it got \_\_\_\_\_', or simply 'Is it a \_\_\_\_\_?'

Write the sentences Ss ask on the WB

### **Make a Present (10-15 mins)**

Give Ss cube net, explain which side will be the outside, and that they can decorate. Also show them which square will be the bottom of their present and that they must draw a picture of a gift (of their choosing) to be inside the present. Don't let anyone else see what it is!

### **Speaking Production (10-15 mins)**

Write all the Ss names in a big table on the WB

Ss wear their masks and ask Ss of the other team questions to try and guess what is in their present, they then write their guesses next to that person's name on the board. (It's fine for there to be multiple guesses or either the same of different things)

### **Answers (5 mins)**

Go through each name on the board and the guesses, ask each Ss what was really in their present, teams get a point for every correct guess their members made. I.e. if Khoa had a chicken in his present and five members of the snowman team guessed and wrote chicken correctly next to his name, the snowman team would win 5 points.
