Draft:

turn your laptop into an ATM machine

The Freelancing Blueprint Ebook

How to quit your day job and reach true freedom

How to:

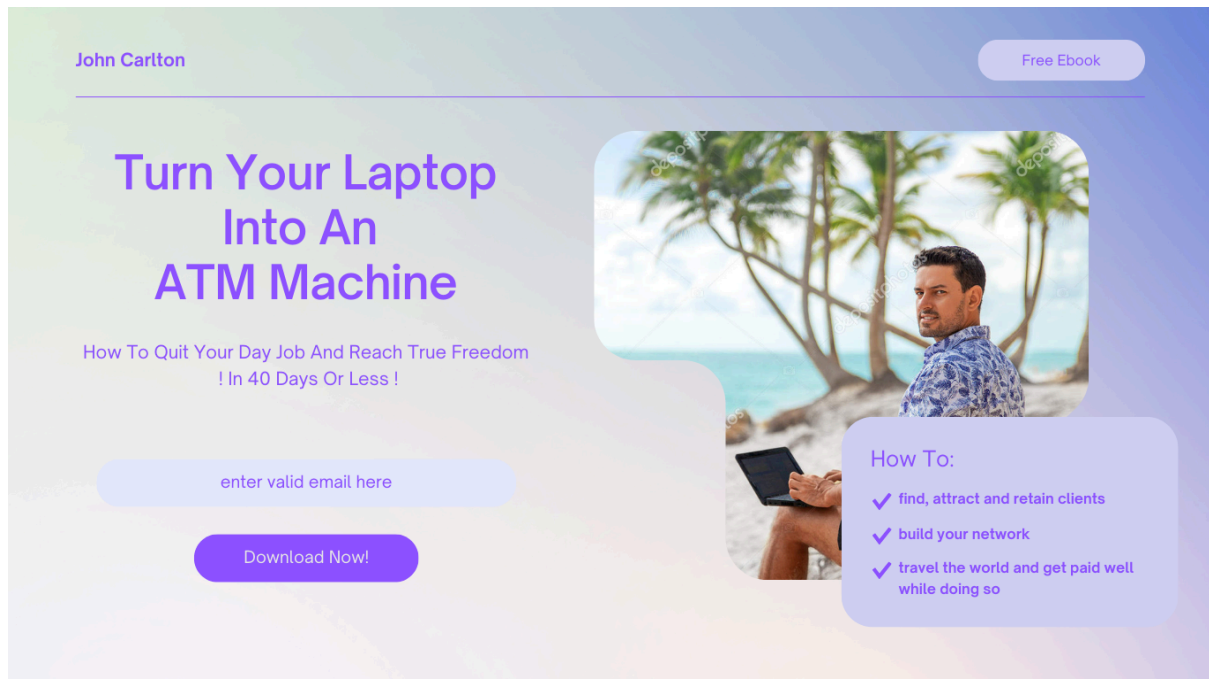

- find, attract and retain clients
- travel the world and get paid well while doing so
- build your network (this is crucial if you're trying to turn this into your career)

BONUS:

the number one step you have to take in order to make this your reality

PLUS the three biggest mistake beginner freelancers make, that keep them from living their dream life

Finished Product:

btw I am aware of the shitty color choice. It was my first time experimenting with Canva. On to the next Gs 🚀
