

Let's PARtner Together!

Would your business benefit from a direct link to a group of influential, loyal, and outgoing women? If so, consider a PARTnership with Omaha's LPGA Amateur Chapter.

We are the recreational arm of the LPGA family. We are women of all walks of life, all backgrounds and all ages coming together, connecting, expanding their networks, and making new friends...all around a shared passion for golf.

Each year our chapter has enjoyed the financial support of a growing number of local businesses in our community. PARTnerships allow businesses a cost-effective way of reaching our dynamic group of women throughout the course of the year.

We are more than just golfers! We enjoy a host of other recreational activities, including walking, running, reading, yoga, going to the gym, gardening, camping, and so much more.

Our sponsors are the key to WOW our membership at every event. Our goal is to help increase the awareness of you and your company as we grow and retain our membership. Every member is encouraged to support our sponsors.

There is value in this win-win opportunity!

- . A direct link to an influential and loyal audience of professional and dynamic Omaha women with purchasing power, both professionally and personally.
- . A cost-effective way to showcase your business and company expertise.
- . Contact with more than 150 women golfers!

We invite you to become a Chapter sponsor and increase your marketing objectives by promoting your products or services to this highly targeted audience of female decision makers.
