## **Bill's Joke 2**

**Sitting by the window of her convent, Sister Barbara opened a letter from home one evening. Inside the letter was a \$100 bill her parents had sent.**

**Sister Barbara smiled at the gesture. As she read the letter by the window, she noticed a shabbily dressed stranger leaning against the lamp post below.**

Quickly, she wrote, "Don't despair. Sister Barbara," on a piece of paper, wrapped the \$100 bill in it, got the man's attention and tossed it out the window to him. The stranger picked it up, and with a puzzled expression and a tip of his hat, went off down the street.

The next day, Sister Barbara was told that a man was at her door, insisting on seeing her. She went down, and found the stranger waiting. Without a word, he handed her a huge wad of \$100 bills.

"What's this?" she asked. "That's the \$8,000 you have coming Sister," he replied.

"Don't Despair paid 80-to-1."

**Derek's Joke 1**

I didn't think that the VW Beetle was that bad a car! Guess it would turn your head though!!!

***The California Highway Patrol in the Los Angeles area recently found some amusement filling out accident reports in a series of car accidents. As it turned out, drivers were losing control and running into other vehicles upon seeing a giant woman's pubis displayed on the front part of an oncoming car. The CHP started frantically looking for the dangerous pubis and came upon the tracks of a young hairdresser named Nelly Node. Nelly's passion for the arts made the young woman photograph her own crotch and put the zoomed picture on her Volkswagen Beetle. Nelly decided to use such a shameless method to prepare her college course work in which she analyzed the art of design. The witty student's idea worked for the college professors.***

***She was proudly driving her 'pubic beetle' until the CHP arrested the woman. The court ruled that Nelly's car was creating a dangerous situation on the roads. The girl had to paint over her car's hood.***

***Here's a picture of her VW before she had to repaint it.***

***I didn't know Beetles had such a large muff - ler . . .***

***I guess this little compact bug can rightfully be  
nick-named the "Quinny-Minnie".***

*You don't suppose the other drivers were driving along going, 'Twat was that??'*

*And was she charged with public indecency? It's a good thing she was picked up by the fuzz . . .*

*I'll stop the cracks now. So snatch this one up and forward it . . .*

**Derek's Joke 2**

**God** *visited a woman and told her she must give up smoking, drinking and sex if she wants to get into heaven.*

*The woman said she would try her best.*

***God visited the woman a week later to see how she was getting on.***

***"Not bad" said the woman, "I've given up smoking and drinking but then I bent over the lounge suite and my boyfriend caught sight of my long slender legs, he pulled up my skirt, pulled my knickers to one side and made love to me right then and there."***

***"They don't like that in heaven", said God.....***

***The woman replied:  
"They're not too happy  
about it in Selfridges  
either!"***
