Prosperity League Party Policies July 980

Political Party of the Novum Domitros Union

Author:	Clericus Internos
Date of Submission:	30/07/980

Order. Security. Strength – Stability for every citizen.

Executive Summary:

The Prosperity League is committed to the preservation of the stability and order within Novum Domitros. We are committed to ensure our law enforcement and defence capabilities are as strong as possible in order to deter threats, both internal and external, from harming our way of life. We will protect our citizens exactly as we would protect those we hold dearest to us, you have our word.

We stand for peace, we stand for justice, we stand for democracy, but most of all, we stand for the Union.

Contents:

Party Vision and Mission

1. **Vision:** To uphold stability and protect the people of Novum Domitros on and off world, by ensuring national order, operational continuity, and strong public institutions, enabling Novum Domitros to project its power across the stars.
2. **Mission:** To preserve the Institutions of Novum Domitros, protect its citizens through the expansion and modernisation of security resources, promote economic growth through the removal of red tape, reducing the barriers of doing business, and to promote unity through strong leadership.

Key Policy Objectives

Home Affairs: Strengthen our Institutions

- 1) **Title:** Reinforcing our Public Service.
- 2) **Goal:** Expand and develop public service infrastructure including new police and fire stations, hospitals and emergency services.
- 3) **Strategies:**
 - a) Police Reform - Improve training regimen in order to broaden overall capabilities.
 - b) Construction of further more advanced departments within public buildings.
 - c) Investigate potential barriers to recruitment and training of public service officials.
 - d) Joint Intelligence Command - Look into the expanding the powers and responsibilities of the Office of Homeland Securities intelligence sector.
 - e) Maintain Government control over the Public Service and its departments.
- 4) **Timeline:**
 - a) Medium term - 3 months.

Defence: Broaden our Defence Capabilities - Safeguard our Sovereignty

- 1) **Title:** The Cole Protocol.
- 2) **Goal:** Ensure that the Department of Defence has the resources necessary to protect Novum Domitros and her interests both on world and amongst the stars.
- 3) **Strategies:**
 - a) Research and construct an orbital station capable of producing more-advanced spacecraft.
 - b) Expand the size of our navy in order to protect Novum Domitronian space.

- c) R&D Subsidies - Complete research into laser weaponry as acquired from the Klimmeck Associate.
 - d) Grant large space-capable Corporations the right to produce their own spacecraft capable of securing their property and protecting our space.
 - e) Expand our space defence infrastructure.
- 4) Timeline:**
- a) Long term 5-10 months.

Economic: Privatisation of the economy.

- 1) **Title:** Freedom of the Economy.
- 2) **Goal:** Promote economic growth by reducing the barriers to do business, and providing incentives for corporate expansion.
- 3) **Strategies:**
 - a) Provide tax-incentives and/or subsidies to industries and corporation critical to the economy such as the resource, spaceflight, and defence sectors.
 - b) Investigate barriers to doing business within the economy and seek to remove such in order to promote growth.
 - c) Tax benefits and subsidies to promote development and expansion within the space sector.
- 4) **Timeline:**
 - a) Short-Medium term 2-5 months.

Debt Plan - Fiscally responsible spending

- 1) **Title:** Embrace quality fiscal policy.
- 2) **Goal:** Promote economic growth, stability, and prosperity by taking active measures to tackle the national debt.
- 3) **Strategies:**
 - a) Investigate current expenditure to attempt to identify and remove wasteful spending.
 - b) Directly pay-down at least \$2 Trillion of the national debt.
 - c) Grow the national GDP to reduce the debt-GDP ratio.
 - d) Legally limit debt gain and debt repayment rates.
 - e) Negotiate refinancing of debt and change the law on debt interest rate.

4) Timeline:

- a) Long term 9-14 months.

Commitment to De-Regulation

1) Title: Prevent needless regulation.

2) Goal:

- a) Remain fervent opposers and scrutineers of all regulation, ensuring that any passed regulation is completely necessary and can only have positive impacts on the Union.
- b) Preserve the current state of Novum Domitros' founding documents and legislation unless otherwise required for the betterment of the Union.

3) Timeline: Long term - indefinite.

Exploration

1) Title: Take our place on the galactic stage.

2) Goal: Protect our destiny through the safe and secure expansion of our great nation.

3) Strategies:

- a) Enable Parliament to create charters of which provide monopoly rights to certain regions of space. These charters allow public investment and will return dividends to investors based upon profits received.
- b) Affirm regional monopolies for current public-listed companies in contracts and in return for monetary concessions.
- c) Continue consistent exploration with the Xyphera-Class vessel, ensuring that any and all artifacts discovered are investigated and researched.

4) Timeline: Long Term 9-13 months.
