

Amped: Cuba³

Amped have fun times in Cuba with Cuba Gooding Jr

"Goddamn it. You bitches."

"Get me drunk in Havana and then feed me KFC."

"You were fighting for the UCC in Cuba. The country Cuba. Not me. Not the man Cuba."

"Like my life isn't a joke already."

"I hate you all."

"Goddamn, bitches."

"Ellie"

Ellie Goulding's hard fought win against Simone Simons

"That was a lot harder than I thought it was gonna be."

"Kudos to Simone."

"I mean that sincerely."

"Simon's a musician and performer, just like all the girls in Amped, and we all respect that."

"We had a good fight. A fair fight. A physical fight."

"Simone, it was a pleasure."

"Next up for me is Alex Morgan. She's not a musician. She sucks."

"Oh, by the way. Amped is going to hold auditions soon for new members. No fat chicks."

"Bebe"

Bebe Rexha puts down Susanna Tirpack

"In Paris, Blanka from Queens of the Cage got the better of me."

"So in Cuba, I put her stablemate down. I made Tirpack run around in that cage like a scared little kitty cat. I chased her around and around...damn it was funny as fuck."

"Every time I caught her, I punished her. I tore her apart like she was Christmas Goose."

"I did try to rip that hideous outfit off her muscle bound body, but what would've been the point? No one in Havana wanted to see her tits."

"The best solution was to put Tirpack on the canvas. Slam her with my elbow a couple of times and then lock in an armbar. Ain't no escaping that shit."

"Bebe, out."

"Dua"

Dua Lipa gets knocked stupid with a loss against Maria Sharapova

"Big yikes."

"I knew Maria was gonna be a hard fight to win. Ow. She hurts."

"And she is mean. She called me a 'dumb cow.'"

"I tried to fight through the pain. I really did want to win, and even when it was obvious to everyone that I was getting my cute ass destroyed by Maria, I still tried to hang in there."

"But she was just too much woman for me to handle."

"I have to recover and take stock of my situation. Bebe and Ella are ahead of me in the heavyweight division now, and to make things even more difficult I'm facing Ashley Graham when we hit Korea."

"I don't want to slide further down the rankings. Time to put on my big girl panties and square off against Graham."

"Ella"

Ella Yelich-O'Connor dominates Brooke Ence

"Heh."

"Another UCC event. Another member of Pye's Gorgeous Grapplers. Another squash match."

"I literally have no idea who Brooke Ence is. But I can tell you this much, she's a shitty fighter."

"All it took was for me to get in close and she was toast. It was too easy."

"Boring, actually. Boring, boring, boring, boring."

"Brooke Ence is boring."

"Let's get to Korea as quickly as possible. I want to fight a real woman. Misha Barton, are you a real woman?"

"Charli"

Charli Aitchison pushes her luck and embarasses Camille Rowe

"Fuck, yeah."

"How sweet is this win? I'll tell you how sweet it is. It's like Willy Wonka on acid sweet."

"I just bagged me a Mother Fucking Centerfold Angel and it feels so fine. Mmmhfff."

"Of course I had to use some dirty tactics to get the job done. And I had referee Dita Von Teese in my back pocket. So I stacked the deck in my favor."

"Was it worth it? Fuck, yeah."

"There's nothing quite like kicking a chick in the tits to make your night."

"I'm in the top 80 now and I can't wait to get to Korea, so I can kick Nina Dobrev in the tits!"

"Louisa"

Louisa Rose Allen bounces back with a win over Tristin Mays

"I told Tristin at the start of our fight that I had other places to be. That was the truth. I really needed to pee and knew there would be a queue for the bathrooms."

"Thankfully our little Japanese referee, Utada Hikaru, ended our fight quickly."

"I had to run out of the cage and sprint to the loos, but I made it. It was kinda hard to run in my dress, but at least I didn't have to take any pants off to pee."

"I was so relieved!"

"My bladder was super full. I'm glad Tristan was so terrible in the cage and didn't punch me in my gut. I probably would have pissed myself."

"Have a nice day."

"Sky"

Sky Ferreira can't win against Mallika Sherawat

"World of Fight?"

"I think they mean World of Bitch."

"Did you know that Mallika called me a 'bitch' eleven times in our fight?"

"I admit I may have used that word to describe her a few times, but I hardly overused it."

"Mallika is so unoriginal. She needs some new material. Some new banter to rile up her opponents."

"Being called a bitch is so 2019."

"When we hit South Korea I'll be fighting Elisha Cuthbert."

"Bitch won't know what hit her."

"Marina"

Marina Diamandis tears out Brie Larson's hair to win

"I didn't really enjoy beating Tove in Paris. But I did enjoy beating Brie in Cuba."

"Brie is like soft cheese. In fact, let's compare Brie Larsen to Brie cheese."

"Both are named Brie. Both are soft. Both are pale in color with a slight grayish tinge."

"Both could be considered to contain mould."

"One is from France and the other is from America."

"So, point for point there really isn't much difference between Brie Larson and Brie cheese."

"In Korea I will be fighting Sabine Jemeljanova. Let's find out if she's anything like cheddar cheese."

"Cuba"

"Goddamn, bitches."

"Y'all knew it's illegal to import KFC from the USA into Cuba."

"I told the Feds the KFC was going into Cuba. Cuba the man. Not Cuba the country."

"They didn't fucking care."

"You bitches set me up!"

"Goddamn, bitches."
