Happy Sunday Carver E&S Community!!!

As we approach the Thanksgiving holiday, I want to take a moment to express my deepest gratitude for each of you. This season is a time for reflection, and I am so thankful for the hard work, dedication, and resilience you bring to our school community every day. **Carver E&S students:** You've been doing a phenomenal job, and we're so proud of the progress you've made. With the midway point of the second quarter just a few weeks away, I encourage you to stay focused and continue striving for your goals. **Carver E&S parents/guardians/villages:** Your partnership and encouragement mean the world to me. Together, we're creating a strong foundation for our students to thrive.

This Thanksgiving, I encourage everyone to take time for yourselves and your loved ones. Whether it's sharing a meal, enjoying some quiet rest, or reflecting on the blessings in your life, let this break be a time for self-care and renewal. Let's also remember the importance of gratitude and giving—caring for one another and appreciating the amazing things we have as a community.

As we move into December and the final stretch of the semester, let's stay strong, locked in, and ready to finish the year with purpose and positivity. Wishing you all a safe, restful, and joyful holiday weekend. Thank you for making our school a truly special place. Please find PDPs and updates for this week::

PDP- Public Descriptive Praise!!

PDP- to Carver students Diya Patel (11th Grade) and Ashley Rodriguez-Zangrandi (11th Grade).
