Subject: Celebrate The 4th With EVA - Create Stunning Videos Like This With Just Text [Inside]!

Dear [NAME],

Happy 4th of July! 🇺🇸 As we celebrate the spirit of freedom and creativity, we're excited to introduce Epic Video AI (EVA), the revolutionary text and image-to-video engine powered by Synthesys Technology!

With EVA, your imagination is the only limit. Simply think it, and watch it come to life in motion.

Like "Kids, holding hands, watching fireworks" to get this...

And guess what? EVA offers what other apps can't. For example, seamlessly integrating with Canva, offering you even more creative flexibility to create videos like this:

Why You'll Love EVA:

- **Text Prompt to AI Video:** Type your ideas and see them turn into engaging videos.
- **Image to AI Video:** Transform your images into dynamic videos instantly.
- **Canva for AI Video:** Combine EVA's power with Canva's creativity for unmatched results.
- **Create Video Stories:** Craft captivating video stories up to 16 seconds long.
- **High-Quality Output:** Enjoy stunning 1080p video quality.
- **Versatile Video Dimensions:** Choose from 16:9, 9:16, and 1:1 formats.
- **Any Face, Any Pose:** Personalize your videos with face swaps and pose adjustments.
- **Lip Sync:** Add realistic lip-syncing to your AI-generated videos.
- **AI Photos & Videos:** Create beautiful, lifelike AI images and videos of real people.
- **Upload Selfies:** Turn your own selfies into an AI model.
- **AI Music (Bonus):** Enhance your videos with AI-generated music.
- **Commercial License:** Use EVA's creations commercially.
- **Unlimited Usage:** Generate videos and images without limits!

Independence Day Special: Holiday Discount!

For a limited time, you can get everything EVA offers at an unbeatable one-time price! But the price is climbing slowly due to popular demand (it's just TOO LOW).

It's An Exclusive Founder's Launch Offer, Here's what you get:

- **EVA Commercial:** Create stunning AI videos from text and images. (\$67)
- **EVA Influencer:** Customize your videos with face swaps, poses, and lip sync. (\$97)
- **EVA AI Music Unlimited:** Add AI-generated music to your videos. (\$47)
- **EVA AI Images Unlimited:** Generate AI images and turn them into videos. (\$97/year)
- **EVA Unlimited:** Unlimited video creations (1500 videos per month). (\$197/year)

Total Value: \$67 + \$97 + \$47 + \$294/year

Founder's Price: A One-Time Investment You Won't Believe!

SUBJECTS: One Last Shot At The BEST AI You've Ever Seen...

[Last Call] See EVA Live Monday at 8 PM EDT!

[Final Chance] EVA's Founding Membership Is Closing...

Have you seen this yet? If not, you have ONE LAST SHOT at one of the best AI tools of the decade! You're not going to believe this, but TRUE TEXT TO MOVIES is here.. and you can see it being demonstrated by Todd Gross LIVE at 8pm Eastern Time - Monday, July 8th!

This amazing software is Epic Video AI, also known as "Eva by Synthesys" where you can make videos like this!

And in addition to making movies from text like you see above, you can make images and videos of YOUR CLIENTS (or yourself) in virtually any situation too! (you can see an example of that later in this email..)

Watch Todd explain it all here:

YOUR MEGA BUNDLE LINK

The video above includes video clips, and "video 4-scene stories" we created with EVA straight off the top of the imagination!

Anytime you "think" it.. you can create it.. BAM! It's Instant video assets at your fingertips!

BUT.. NOT ONLY THAT.. you can take a picture of yourself and put yourself IN the video you create, or better yet, make images of yourself or your clients doing virtually ANYTHING.. like we did with Anya Taylor-Joy (the actress) below:

Cooking, playing golf, swimming, hiking - anything.. We've got you covered with that too! (Amazing consistency from image to image)

How do you get your hands on this as a founding member?

Sign up right now for this last webinar on this very page! The deal is gone after Monday night!

WOW WOW... WOW!!! Ready to be a founding member and get in on the full demo and special package?
