

This year, we will continue to focus on increasing our funds and family participation in the PTSA, so we can keep **Mini-Grants** and ensure you have everything you need for **Academic Classroom Support and**

Equipment & Materials for P.E. & Electives Courses, while still showering you with love during Teacher Appreciation Week & beyond. As you know, we are also now funding **HOMEWORK HELP!**

To support a collaborative partnership between home and school, we're asking all Staff to please join the PTSA. **Faculty cost is just \$10**, and you are instantly eligible for all member perks (discounts, etc): <https://capta.org/join/member-perks/>

ALSO, this makes you eligible to apply for a **Continuing Education Scholarship** thru the CA State PTA: <http://capta.org/programs-events/scholarships/continuing-education/>

Our goal is 100% Staff participation. We hope you'll join us.

All Staff are eligible for a 10% discount on Spirit Wear w/ code: DNOSTAFF
