# Math:

# Zearn

Please do the activities needed to complete the Lesson 17 Missing Measurements. After watching the lesson then students will complete the Knowledge of Power for completion of lesson 17.

# Mrs. Stobart's Class:

To find your Zearn login <u>click here</u>. Our class code is **GE6G6k**.

**Mrs.Moore's class:** Codes were given out prior to Spring break via DOJO.

### Science:

Take a minute to watch these two short videos on <u>Bones</u> and <u>Muscles</u>. While you watch, think about the following question: What are some ways we can take care of our bones and muscles?

# Bones and Muscles Journal Entry

For fun, listen to this silly song about our bones.

# Specials:

Here is a link to the <u>specials lessons</u> for anyone interested. I encourage everyone to check them out! There are some fun activities for the days that are especially hard for the kiddos to get through.
