Dear Students,

This week we are sharing a video of how we typically conduct student drop off and pick up, including bus, van, parent drop off, and walkers. Again, we recognize that things may be changing due to guidance we will be receiving from the Department of Elementary and Secondary Education (DESE) over the summer months on how we address returning to school with COVID-19, specifically with transportation to and from school. Our hope and purpose is to provide you with some basic information on how to arrive and depart the school. [Enjoy the bus transportation video.](#)

The entire staff at the Marshall Middle School is here to support you and help you have a positive middle school experience. If you have questions please do not hesitate to contact me or Brittany Marshall the Assistant Principal. You may also call the school at (978) 528-8670. We place tremendous value on being part of your education and we want you to have a wonderful experience at the Marshall Middle School.

Warmest Regards,

Ms. Marshall and Mr. Rossi
