

[New wildlife laws proposed](#) February 7, 2021 Oklahoma

The Lawton Constitution

... COVID-19, it gave people more opportunities to hit the deer woods. Hunters flocked to the woods so much that they broke the all-time deer harvest record, eclipsing the 120,000 mark for only the second time in Oklahoma deer season history... when everything is verified, hunters will have taken nearly 126,000 deer this year..,

[What is the future of hunting in Oklahoma? COVID-19 increased participation, but will it last?](#) July 26, 2021 The Oklahoman

... the sale of resident archery deer licenses saw a 15% increase, and non-resident archery deer licenses had a rise of 28% percent. Resident deer gun licenses were up 16% and licenses sold for the holiday antlerless deer gun season increased by 34%..,

[Oklahoma archery seasons open Friday for deer, bear, elk and antelope](#) September 27, 2021 The Oklahoman

... an increased participation in deer hunting, largely attributed to COVID-19 as the outdoors became one of the few safe places to be. A record 218,548 hunters participated in the deer gun season last year..,
