

Lyre Academy: The Full Lyre Course Online

The "Full Academy" by LyreAcademy is a comprehensive online program designed for anyone interested in learning to play the lyre, from beginners to advanced students and even aspiring teachers.

What's Included:

- 10 courses
- 17 masterclasses
- Over 250 lessons
- 36 months of access to the material

Curriculum Structure: The program is structured into three years of studies, plus a dedicated Lyre Tutoring Semester:

- **First Year (Foundational Skills):** Covers basics such as two-handed playing, rhythm, music theory, chords, muting techniques, and ancient modes.
- **Second Year (Advanced Playing Techniques):** Delves into six masterclasses, including mastering the plectrum, hroes (producing multiple notes per string), harmonics, tremolo, sharps, and polyphony.
- **Third Year (Ancient Greek Music Theory):** Explores in-depth theory based on Aristoxenus's work, covering harmonic and rhythmic elements, ancient genera, pycnum, scales, and various ancient Greek rhythms.
- **Lyre Tutoring Semester:** Prepares students to teach the lyre to beginners, intermediate, and advanced players.

The program aims to equip students with the skills to play a wide range of ancient and modern songs, understand complex music theory, and even pursue a teaching career.

You can find more details about the course on the [LyreAcademy Full Academy page](#).
