Bm				
oh is it true that songs can do what bombs have always missed?				
Em	G		F#m	
to strike the lips of power that all men have longed to kiss				
Bm				
that all may know if You don't save than everything is lost				
Em	G	Α	Bm	
Your road map to freedom is from infancy to cross				
Bm				
no rock will bear my load, i'll cry out loud with in my time				
Em	G		F#m	
a battle cry against this world, "God help me!" is the line				
Bm				
and as i rush upon the field i know i may fall slain				
Em	G	Α		Bm
but i would rather fight and die than live my life in vain
