## Orienteering Championships 2024

You are invited to enter the 2024 PSUK Orienteering Championships to be held at Formby on Sunday 17 November 2024. The Championships are staged on courses that are part of a public event organised by Deeside Orienteering Club which coincidentally includes the Army Orienteering Championships. This is also our Annual Challenge Match, PSUK v the RAF.

### Key Information

The entry classes are listed below.

Once the online entry system is open please enter the colour course appropriate to your class. If you are not a British Orienteering Club member enter PSUK as your club. If you do not have a SI dibber you need to hire one when entering. If running as a pair you will both need to enter so you each have a map and dibber, run and finish together, both punching all the controls including the start and finish.

Once entries are open, the entry link will be circulated to the PSUK orienteering email list, but will also be added to the event website <http://pgorienteering.uk/psuk-orienteering.html>

You can 'run up' a class, example : Veteran Men up to Men's Open.

When selecting a start time please select one before 12 noon so the prize giving can take place at 1.30pm.

Please advise Peter by email to [psukorienteering@btinternet.com](mailto:psukorienteering@btinternet.com) if you have entered. He will also deal with any enquiries you have.
