

# TERMS OF SERVICE

updated Feb 02, 2024

## DISCLAIMER:

By commissioning me, you agree to these terms of service. Terms are subject to change at any time.

## Payment

- ❖ I take payment via **paypal invoice** only.
- ❖ For **digital** commissions: If I accept your commission I will send you a very rough sketch for the overall composition/pose, and once you approve of the sketch, I will ask for your paypal address and send you the invoice.
- ❖ For **traditional badges**: Full payment is required up front. I will send over a sketch for approval and start on coloring once approved. **No further changes can be made after the sketch has been approved** without having to start over, which would incur an additional fee!
- ❖ Traditional badge commissions include shipping within the continental US. For international shipping please make sure to request a shipping quote first.
- ❖ Do not send me payment until I have accepted your commission.
- ❖ Payment must be made within **48 hours** after I sent the invoice unless you let me **beforehand** that it might take longer.
- ❖ YCH commissions must be paid in full **48 hours** after I sent you the invoice, unless you let me know **beforehand** that it might take longer, or I will re-auction the YCH.
- ❖ Stream commissions must be paid in full before I start them during the stream.

## General

- ❖ I only discuss commissions through furaffinity notes, in chat during livestreams, or via Telegram. My Telegram is [https://t.me/qi\\_art](https://t.me/qi_art) .Please do not ask me for my skype/discord/etc.
- ❖ Please try to include what you want and any character references for your commission in your first note. The characters you commission must be your own, or you must have permission to use them in the picture. Reference sheets for characters must be uploaded on your furaffinity or other account that makes it obvious it's your character.
- ❖ Very detailed characters or accessories might increase the price of the commission.
- ❖ For **digital** pieces: I will edit the initial sketch up to three times for free, so please try to include all your changes you might want for the initial sketch in one request. After the third one there will be a small fee added to the invoice.
- ❖ For **digital** pieces: I will fix small mistakes (such as a marking I forgot, wrong eye color, etc) in the final image for free. Additional edits or other changes will require a small fee.

- ❖ For **traditional badges**: Any changes or revisions can only be made during the sketch stage. Copic marker art is very unforgiving and I'm unable to make changes to the badge once I start coloring it.
- ❖ I usually do not send out WIPs, please feel free to contact me if you're interested in the status of your commission, but be aware that there might be others in my queue before you.
- ❖ If you need the picture by a certain date please let me know so in your first note. If the date is very close I will require an additional rush fee that depends on the deadline and commission type. For traditional badges please keep shipping times in mind as those are out of my control, and if you require rush shipping you will be responsible for the additional shipping charge.

## Usage

- ❖ I reserve all rights to my work.
- ❖ Do not claim my work as your own or edit/crop out my signature.
- ❖ Unless discussed otherwise your commission is for personal use only.
- ❖ Feel free to post your finished commission on your **furaffinity** account if you credit me in the description, or on twitter/bluesky if you link back to my furaffinity page. Please **do not** post it to any other site, such as **e621**.
- ❖ I reserve the right to post any unused pose sketches as YCH auctions (with generic character placeholders) if I deem them unique enough from the final pose.
