Shut eye

HollyLeaf MAP

Thumbnail rules

● HollyLeaf should be the main focus.

● The thumbnail of this MAP shouldn't look bloody, violent, or horrifying.

● Title should include :
“Shut eye-Complete HollyLeaf PMV map”

● Please submit 2 versions of your entry, one including the title and one without title.

● AI, tracing, or stealing other people's work is not allowed.

● You can make as many entries as you want.

● Deadline is July 10th.

● Please follow the art directions, you can add more effects or shading to make the thumbnails look more vivid and pretty.

● I suggest reading the script of the MAP and watching the finished parts first, that may inspire you what the thumbnail should look like.
